Oktoberfest is the world's largest Volksfest, held in Munich each year and featuring a beer festival and carnival. Unfortunately, the pilot decided to get "in the mood" last night, and is nursing a severe hangover already.

Munich (MUC)

The Hangover (all scenarios)
The pilot must drink at least one coffee each round, or a crash is inevitable.

Green (11, 🍀)

At least there is coffee! Start with the Control ability card.

Yellow (6, 🍀)

No cards. No hope?

Red (8, 🍀)

The pilot is pushing all the wrong buttons!
Alarms are sounding! (But remove the Concentration alarm tile). Start with the Control ability card, plus one other.

Black (4, 🍀)

The pilot is pushing all the wrong buttons!
Alarms are sounding! (But remove the Concentration alarm tile). Start with any two cards EXCEPT the Control ability card.
